REMARKS

The undersigned acknowledges the courteous treatment received during the course of a personal interview with the Examiner in charge of this application held on this date.

During the interview, the undersigned pointed out how independent claims 1 and 16 as amended distinguish over the references used to reject these claims.

While discussing the differences, it became apparent that additional distinctions could be added to the claims and the Examiner agreed that it would be appropriate to include these changes in a supplemental amendment.

Support for the added language appears in page 30 of the specification.

The Examiner is requested to call the undersigned or Mr. Kroll if further changes are required to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,

LEONARD BELKIN
